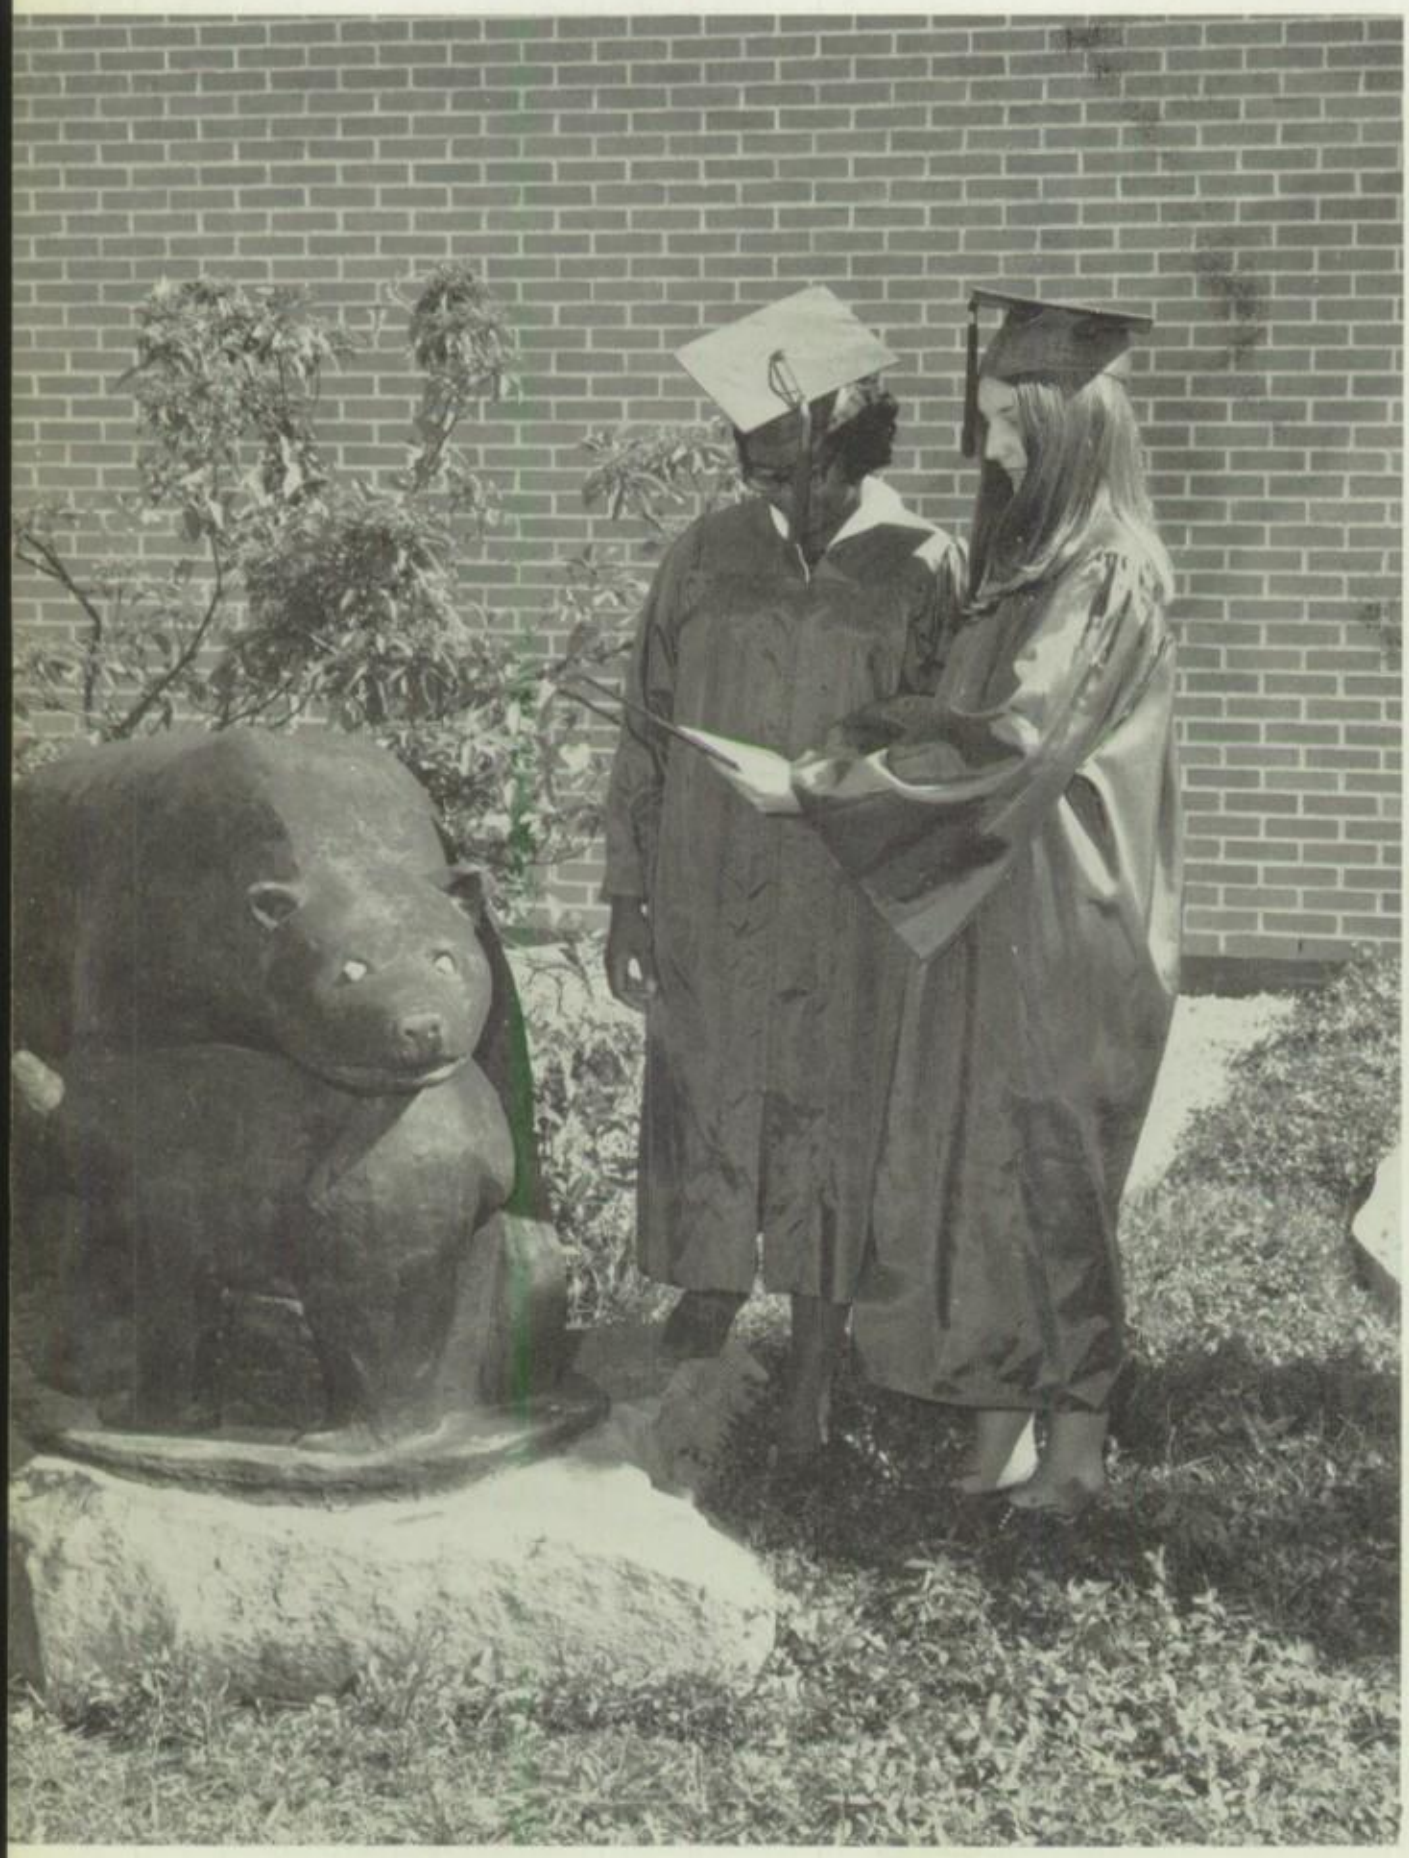
Those Were The Days . . .

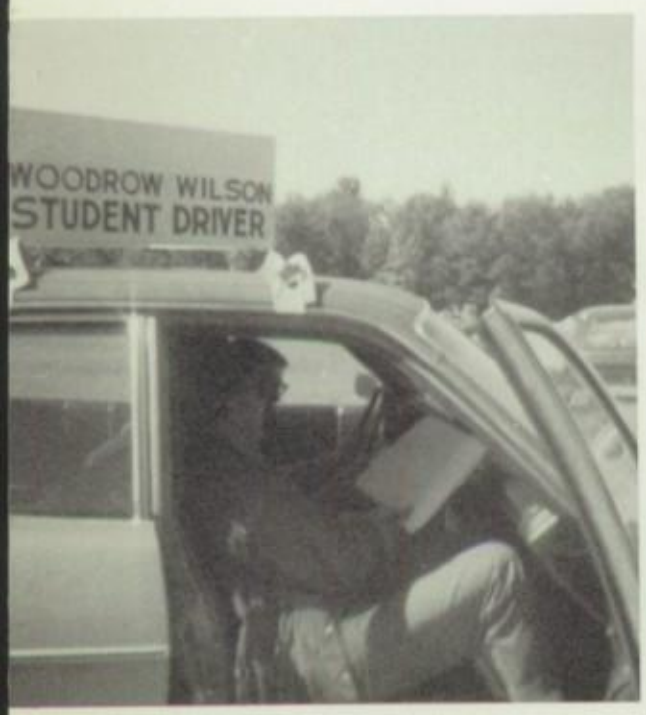


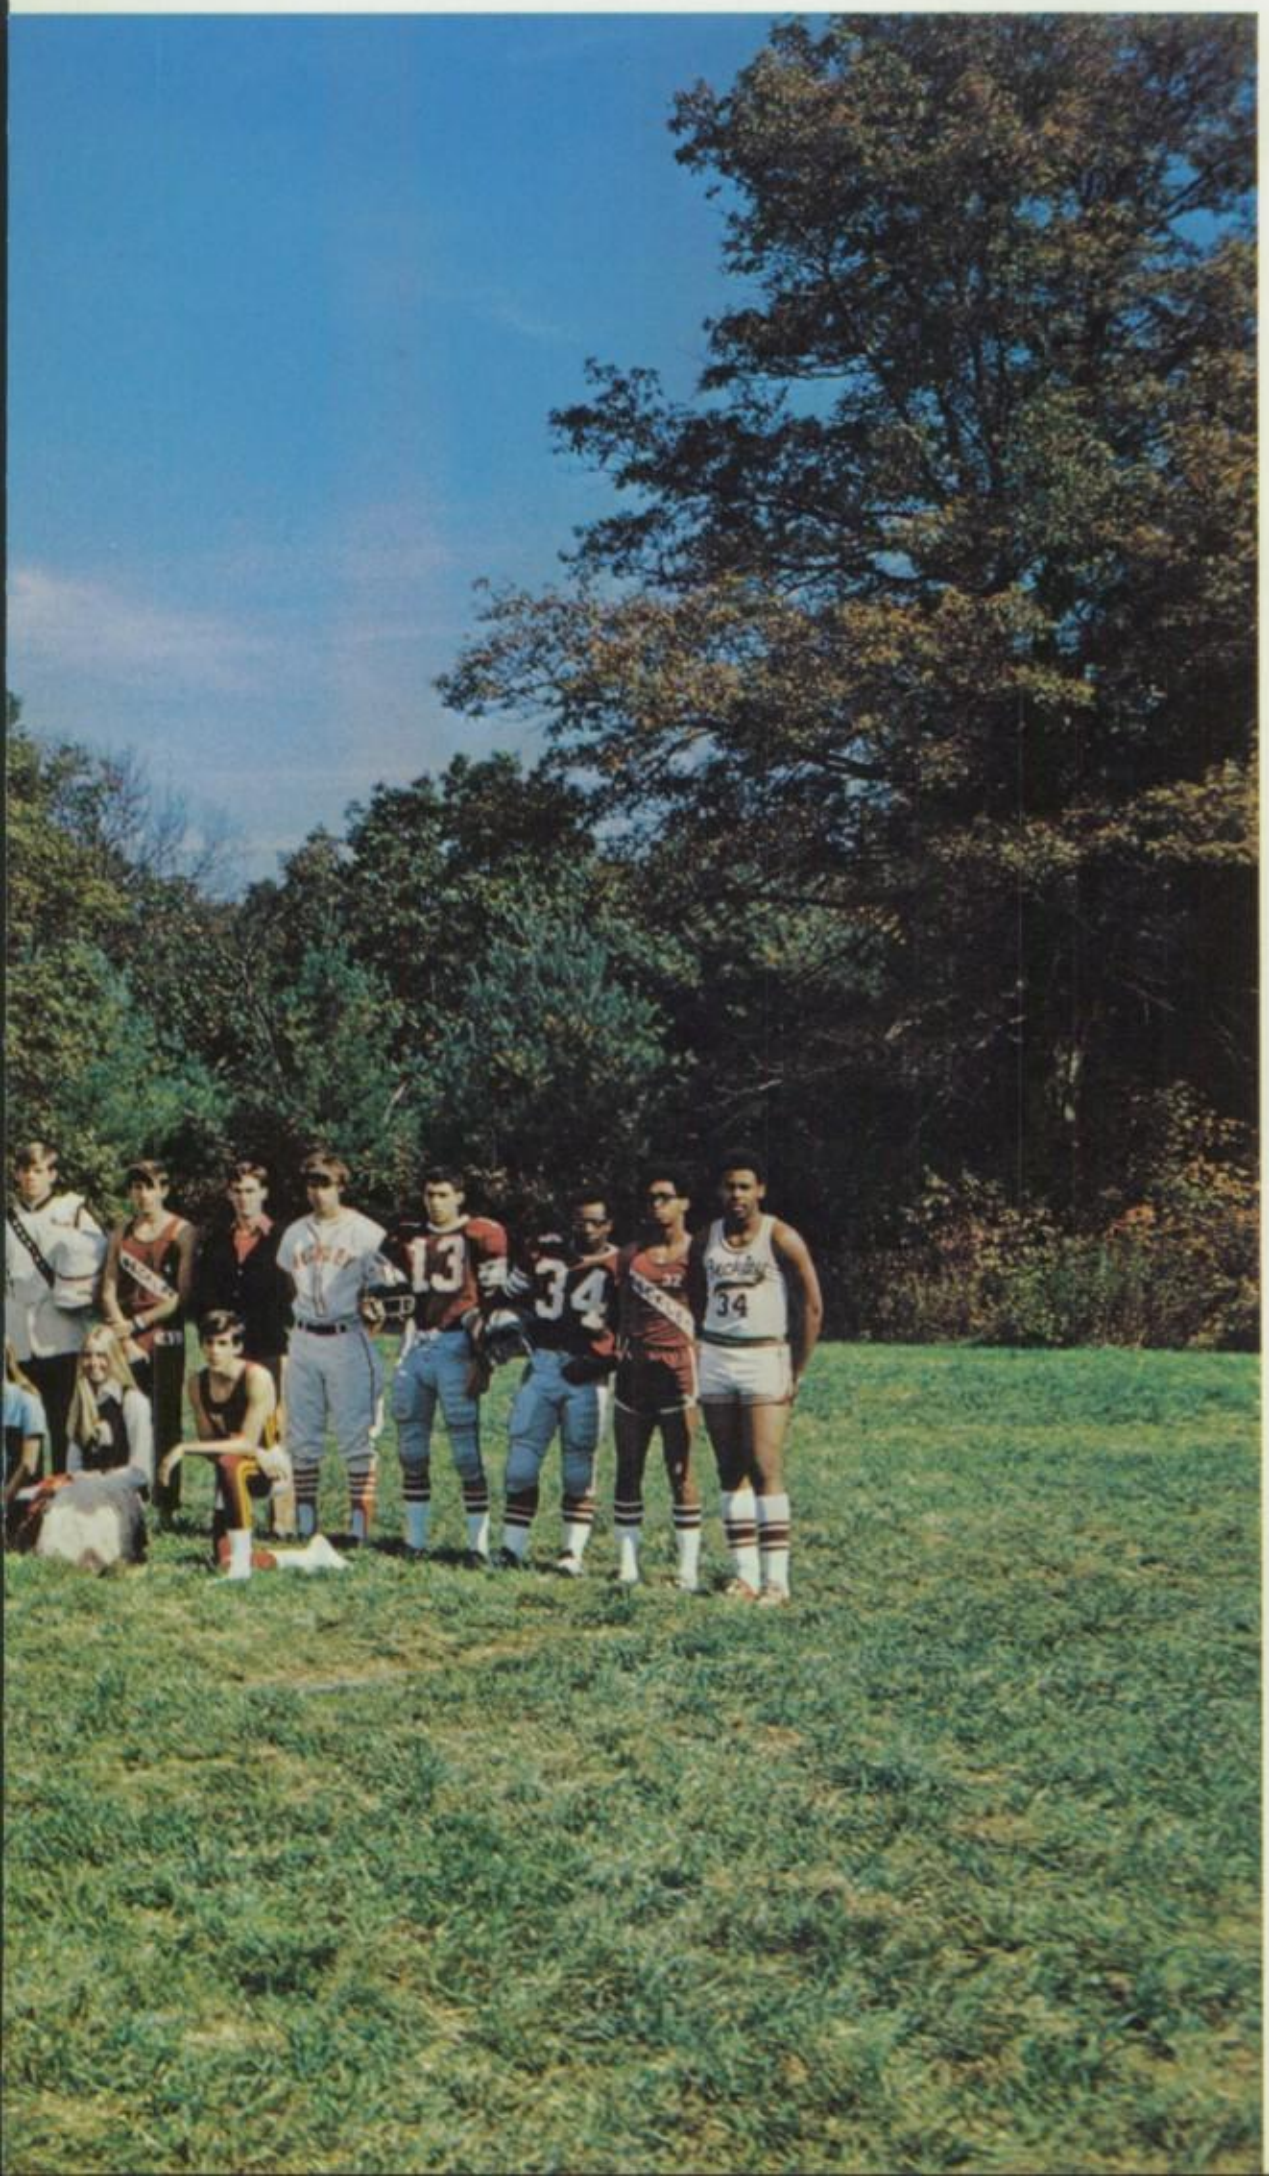
Once upon a time there was a building,
Where we used to meet a friend or two.
Remember how we laughed away the hours,
Think of all the great things we would do.

Those were the days, my friend,
We thought they'd never end.
We'd sing and dance forever and a day.

We'd live the life we choose.
We'd fight and never loose.
Oh, we were young and sure to have our way.

Through the door there came familiar laughter.
I saw your face and heard you call my name.
Oh, my friend, we're older but no wiser,
For in our hearts the dreams are still the same.





Hail to Woodrow Wilson
Alma Mater dear;
We shall ever sing thy praises
Through the coming years.

We love the things you stand for
Knowledge, truth, and light,
Love, faith, hope, and fellowship,
Thy own creed is our light.

Biology is much more
fun the second time around.

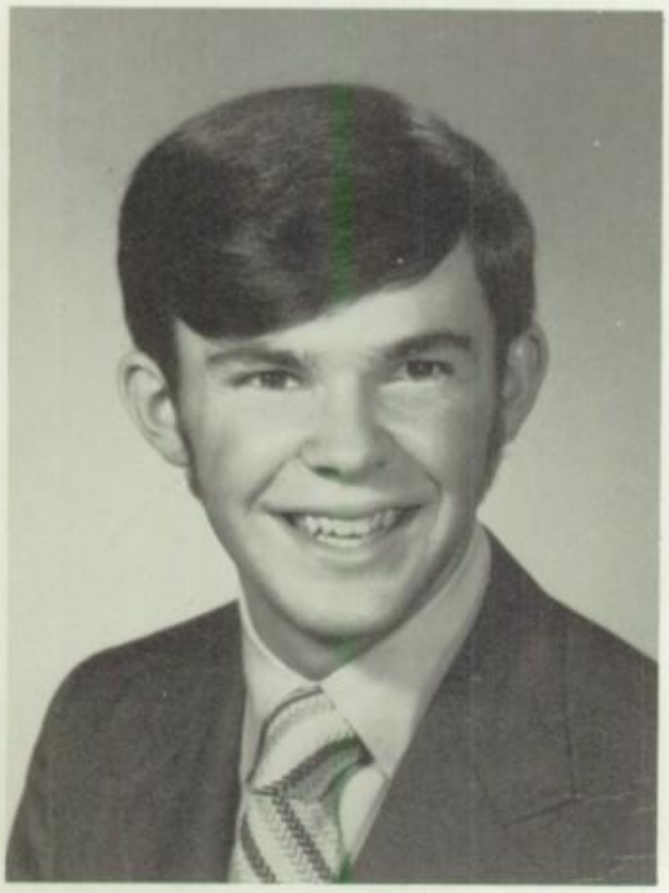
In Memoriam . . .



Rick Vecellio

. . .Though you are gone–Life must go on
And time must be well filled
For loneliness can only bend
A weak soul with its will,
And helpless cries I shall not vent
Because this much I know–
I'll live life to its full intent
For you would have it so.

You to the left
And I to the right,
For the ways of
men must sever–
And it well may be
For a day and a night,
And it well may be
forever.
But whether we meet
Or whether we part
(For our ways are
past our knowing),
A pledge from the
heart to its fellow
heart on the ways we
all are going.
Here's Luck!
For we know not where
we are going.

Whether we win or
whether we lose
With the hands that
life is dealing,
It is not we nor the
ways we choose
But the fate in love
and a fate in fight,
And the best of us
All go under–
And whether we're
wrong or whether we're
right, Here's Luck!
That we may not yet
go under!

Let's give a cheer for Beckley High
The Eagles are out to do or die
Let's make the echoes ring
We never give up, we never give in
We battle along until we win
So let us sing, sing, sing
Now why should we fear a mighty foe
We do our best and lay them low
To gain the victor's crown
So pep it up for the Eagle Crew
A band then that is hardy and tried and true
And ready for renown.

C. R. Allen

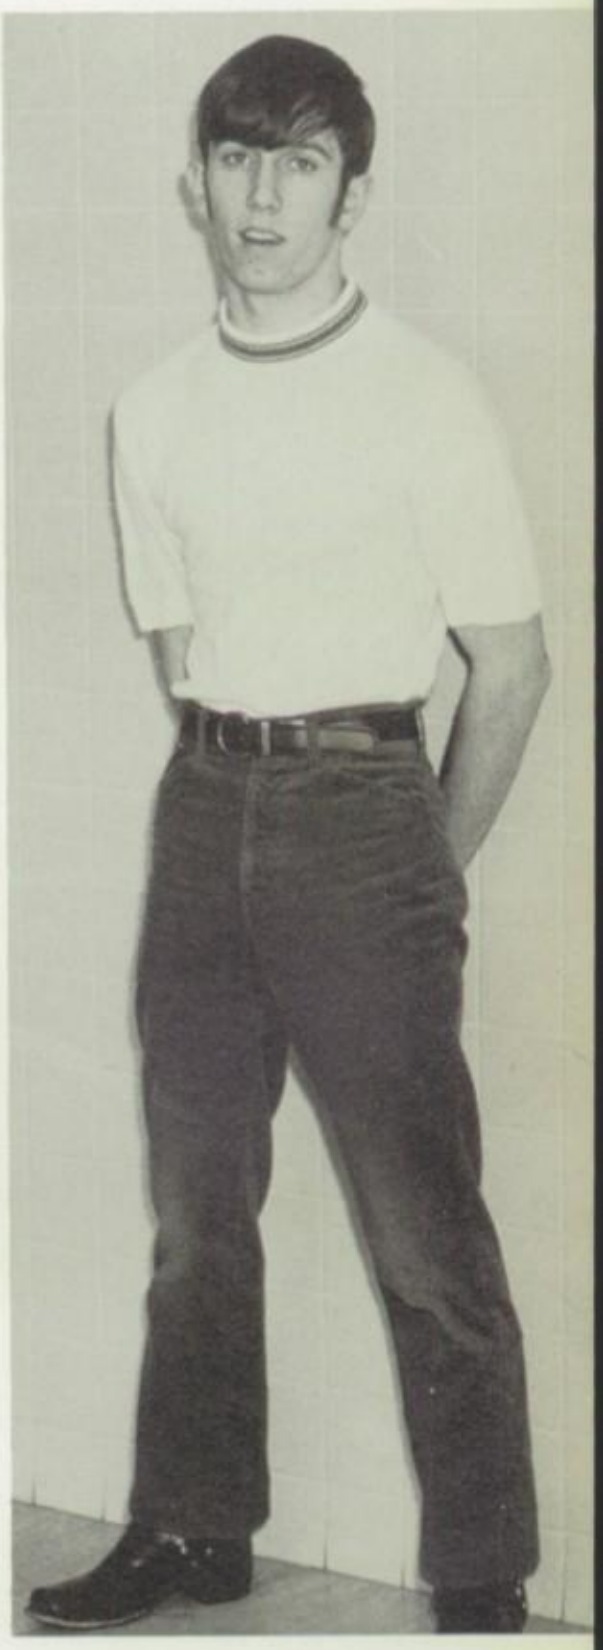
COMMENTS FROM COACH HILL Mike Tyree is a three-year wrestler with the last two years as a regular in the 119 pound class. Mike's record in his senior year was 19-7. Mike is probably the most enthusiastic, dedicated wrestler on the squad. Mike 'typifies the old adage that "hard work does indeed pay off." Mike's presence was always an inspiration to the younger wrestlers, never being too busy to help out the less experienced boys.

C. R. Allen is a three year wrestler alternating as a regular his junior year, but not really coming into his own till the senior year. C. R.'s record in his senior year was 20-7 climaxing it by representing Woodrow Wilson in the 132 pound class at the state tournament in Nitro. C. R. probably has more heart than any athlete in W. W., whether it be wrestling, football, or baseball. C. R. also possessed a great competive ability, the ability to get up for the occasion. C. R.'s 132 pound class will be hard to fill, for he was a tremendous competitor.

Mike Tyree



Mike Tyree and C. R. Allen were the Co-Captains of the 1971-72 edition of the Woodrow Wilson Wrestling Team. The wrestling team finished 5-4 in regular duel competition.

FORENSIC CLUB

Clubs and their activities . . . They're as much a part of high school life as teachers and classes. The friends you make, the things you do, the good times and the bad times . . . The clubs of Woodrow Wilson have different names and different people, but the purpose is the same: To keep the interests of the students alive and make school life a thing to enjoy and remember. In this section are the faces of the clubs that made up the good times in 1971-72. No doubt about it, the club activities are where it's at!
